### VALUABLE HORSE

### SAVED

Expected Horse Would Die—Now Sleek and Healthy.

In reporting his experience, Mr. J. C. Huste, of Rock Bridge Bath, Va., stated: "My horse is the best advertisement you would want for Dr. LeGear's Stock Powders. He was in a run down fix and poor and I thought he would die soon. I got some of Dr. LeGear's Stock Powders—and today he is as fine a looking horse as you can see in this section. I only used a few boxes of Dr. LeGear's Stock Powders."

Mr. Huste benefitted by the advice of Dr. LeGear, Graduate Veterinary Surgeon of 27 years' experience. By following the Doctor's treatment, you can keep your stock sleek and healthy. Here's his offer to you. Get a package of Dr. LeGear's Stock Powders from your dealer; feed it to your horses, milk cows, steers, hogs, and sheep as per directions. If after a thorough trial, the results are not satisfactory, just return the empty carton and your money will be cheerfully refunded.—Dr. L. D. LeGear Med. Co., St. Louis, Mo.

The gentleman from Yuby Dam must be a prophet, or a doctor, and may be a preacher thrice. His doctoring seems unnatural for this part of the globe. I don't mean to call him a democrat or a rat eater either, but the Yuby Slicker Snake can make his own democratic meaning of this inquiry, and the treaty meaning too.

The Dotson Branch Home Telephone Co. financial conditions are good. No money has been misused as the secretary and collectors books will show anyone who wishes to examine them.

Don't fail to read the "Trade at home" article that appears on first page. These articles are appearing regular and will be beneficial to you. When you trade with home merchants you get their friendship and advice. Strangers are only interested in getting your money, and can't help you out when you need a friend's advice.

## Millions Need

## Pepto-Mangan

IN MANY HOMES BETTER HEALTH IS SIMPLY A MATTER OF BETTER BLOOD.

PEPTO-MANGAN IMPROVES BLOOD

COMPOSED OF APPROVED BLOOD MAKING ELEMENTS—PUT UP IN LIQUID AND TABLET FORM.

Are you tired and weak and "blue?" Do you say to yourself, "What's the use of living? What do I get out of life, dragging through this drab existence in this unhappy way?"

You don't feel well and you don't know why you have so little energy to do anything, and you get all tired out before it is done. There are millions in busy America that have such feelings now and then, and they are to be pitied. But there is help. Unless some serious malady is at the bottom of their trouble, a few weeks of Pepto-Mangan will work a wonderful change. Pepto-Mangan will put new vigor into the blood; and the blood is the life fluid. With plenty of rich, red blood coursing through one's body, one is pretty likely to feel good and vigorous and be strong and look hearty.

Go to your druggist and ask for "Gude's Pepto-Mangan." Be sure to say "Gude's". If "Gude's" is not on the package it is not Pepto-Mangan. It is put up in both liquid and tablet form. Tell the druggist which you prefer. There is no difference in medicinal value. Advertisement.
